

## Newsletter June 2020

### Association of Translation Companies

DEFINING STANDARDS OF EXCELLENCE

#### CEO's Greeting

This month's newsletter is packed full of information on the results of our May Coronavirus Pulse Survey and the latest on Brexit and immigration.

We also share our free webinars on the new ISO standard for legal translation, and the UK's national registers for public service translators, interpreters and communications professionals.

I hope you find them useful!

**Raisa McNab**

Chief Executive Officer

#### ATC Coronavirus Pulse Survey

Two months into lockdown, the ATC's Coronavirus Pulse Survey asks the UK's language service companies how the pandemic has affected their business. The May survey reveals that 65% of UK language service companies have suffered a negative impact on finances because of the pandemic.

Has your business been significantly financially affected by the coronavirus pandemic?

34 responses
