## CEO's Greetings

February kicks off with a bang at the ATC. **Reclaim – AI Upskilling Course starts today**, and we are also proud to announce a **partnership with The Association of British HealthTech Industries** and open up new, tangible business opportunities for our members.

And, talking about business, do check out our latest ISO news and sign up to our Business Services Drop-In on 5 March!

Raisa McNab  
**ATC CEO**

## Kicking off Today: AI Upskilling Course

Today is your very last chance to sign up for Reclaim the Future: AI Skills for Language Service Success – our 10-week training course **tailored for language service companies**, developed by Magic Beans Agency in collaboration with the ATC, GALA, ELIA and the EUATC. **Don't miss out!**

## ATC Partners with The Association of British HealthTech Industries

The ATC has struck a **new collaboration partnership with The Association of British HealthTech Industries (ABHI)**, which supports the HealthTech community to provide medical devices, products, and services that help people live healthier lives.

Our aim – to help ABHI's 400 members to lower the barriers to international trade, and to connect them with ATC member companies.
