Translation Companies
DEFINING STANDARDS OF EXCELLENCE

March 2023 Newsletter

CEO's Greetings

ChatGPT, Google's AI chatbot Bard, human parity through NMT... The talk is all about AI-enabled services. Join us on 23 March for a myth-busting panel!

In other news, a post-Brexit result: UK companies can take part in the upcoming DGT tender.

Raisa McNab

Tech Round Table

The ATC's Tech Round Table ditches the hype on AI-enabled services and focuses on practical implementation. Join us on 23 March for panel & breakout discussions on AI-enabled services, demos and raffles from ATC Tech Partners!
