DEFINING STANDARDS OF EXCELLENCE

## October 2023 Newsletter

### CEO's Greetings

Sustainable business is about small steps towards progress, not perfection. Read our Ethical Business Summit Report below!

In other news, awards winners, partnership with UK Export Academy, and employment afternoon. Plus, of course, the 2023 UK Language Services Industry Report is out!

Raisa McNab  
ATC CEO

### UK Industry Report

The ATC's UK Language Services Industry Survey and Report charts the trends and drivers of the second-largest national market of language services, the United Kingdom.

What does the UK market look like now, and where are we heading?

## Takeaways from the Ethical Business Summit

A sustainable society is one that is environmentally restorative, socially just and economically inclusive – one where sustainable business is about small steps towards progress rather than a quest for perfection.

This approach was showcased throughout the Ethical Business Summit with sessions and workshops on sustainable business journeys, case studies and best practices, focusing on taking care of the people and the planet while still making a profit.
