DEFINING STANDARDS OF EXCELLENCE

June 2023 Newsletter

CEO's Greetings

The Language Industry Awards are one of my favourite things: an opportunity for us to recognise the talent, innovation and sheer hard graft that goes into running a language service company – and to celebrate the people making it happen. Don't miss out; nominations close on 15 June! This year, we have a very special Ethical Business Award, open to both ATC member and EUATC network member companies.

Client Landscapes Networking Event

Thank you to all who attended our fantastic Client Landscapes Networking Event in Birmingham! Lunch with Women in Localization UK Chapter was fun, coffee and tea flowed, and most importantly, the quality of discussion at our two Commercial Collaborations Workshops was outstanding. Watch out for the report in June!
